## League Sponsorship Opportunities

The Sirocco Golf Club offers unique sponsorship opportunities to help promote your business to a dynamic audience. We are currently gearing up for the 2022 season, and are building our sponsorship team for the golf season ahead. Sponsorship for our leagues provides excellent marketing opportunities as you gain regular access to a diverse group of men & women. Over 200 league members will engage with your company's advertising on a weekly basis, however, your sponsorship signage will be displayed to a total of 300+ golfers throughout the duration of each league day. In addition to signage and branding, you will have name recognition every league night during prize presentations and the ability throughout the year to promote your service either on course or in the clubhouse. Your support also allows for 2 week advance booking privileges as a league member.
